Thoughts from your Governor

Nov 3rd to everyone. Please be sure to vote!!

Again a big shout out of thanks to our outstanding volunteers, our dedicated dancers and our loyal curbside customers! Amazing!!

Although our silent auction was smaller we had an amazing display and great support from our bidders and donors. Thank-you everyone!! That is always a fun event.

Big thanks to Mike and Michelle Bannwolf and their dedication to put together the fall festival. What a beautiful fall day. Thanks to Dale Rhode (music), Dennis Ellisen (horses) and vendors for a successful event..

Our “surf and turf meal” for the Keen Age Center was very successful for both of us. Got an outstanding review of the meal.

There are still concerns and issues with the virus and difficult decisions for our board. Please attend our meetings and share your thoughts and inputs! You are so important!

Be safe and stay safe !

Fraternally, Ron Walters, Governor

WOTM News . . . Greetings Ladies,

Happy Halloween to everyone. We had a Best Costume idea but Covid-19 did away with it. No social gathering in the Club

We won't be doing any curb side for the women meatloaf on the second Wed of the month. The men will have a dinner and we will volunteer with our help. All the meals are good and sell out pretty quick.

In November it will be getting cold to do the curbside dinners and some places have already stopped doing them. We will keep doing them Wed, Fri and Sat until Nov 21st then it will stop for awhile until it gets warmer.

Our next meeting will be on Nov 9th with membership as usual. After that we will only have Board of Officers meetings. When we open up again it will go back to regular meetings. Stay safe and keep active and busy. That's what I'm going to do.

Sincerely, **Sheri Anderson , Senior Regent**
